Dear Mr. Dutson:

We are writing to document the results of the meeting with Mert Hamilton, Sheri Wysong, and Jerry Mansfield held on July 8, 2003 concerning the "Burgundy Quarry", located in Section 30, T. 18 S., 13 W.

Mr. Hamilton concurred with a reclamation cost estimate of \$9554.59 for the quarry. Please be advised that this is the amount necessary to reclaim two acres of quarry and 2000 feet of road. When the disturbance exceeds that size, the reclamation cost estimate and the bond will have to be adjusted.

The Utah State Office of the BLM will issue you a notice providing you with information on posting a financial guarantee and giving you 60 days to do so.

Mr. Hamilton also made an oral proposal for a 43 CFR 3715 occupancy at the Burgundy Quarry. He stated that you would bring in a 40-45 foot camp trailer to the site indicated on the enclosed map, and it would house 3-4 watchmen/workers from April 1 to October 31 of each year. A contractor would provide and maintain a portable toilet at the site so that no septic tank or other permanent facility will be necessary.

DIV. OF OIL, GAS & MINING

We will begin processing the occupancy proposal soon, so please contact Sheri Wysong at (435) 743-3124 as soon as possible if you disagree with the content of this letter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rex Rowley".
